

ACCESSIBILITY STATEMENT FOR CYNGOR CYMUNED LLANFAIR DYFFRYN CLWYD COMMUNITY COUNCIL

This website is run by Llanfair Dyffryn Clwyd Community Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We have also made the website text as simple as possible to understand. [AbilityNet www.abilitynet.org.uk/](http://www.abilitynet.org.uk/) has advice on making your device easier to use if you have a disability.

How accessible this website is

We know some parts of this website may not be fully accessible:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- live video streams do not have captions
- some of our online forms are difficult to navigate using just a keyboard
- you cannot skip to the main content when using a screen reader
- there's a limit to how far you can magnify the map on our 'contact us' page

What to do if you cannot access parts of this website

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille:

- email clerk.llanfairdc@gmail.com call 01824 707151

We will consider your request and get back to you within 20 working days. If you cannot view the map on our 'contact us' page, call or email us.

Reporting accessibility problems with this website

We are always looking to improve the accessibility of this website. If you find any problems not listed on this page or think we are not meeting accessibility requirements, contact the Clerk - clerk.llanfairdc@gmail.com 01824 707151

Enforcement procedure

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility regulations'). If you're not happy with how we respond to your complaint, [contact the Equality Advisory and Support Service \(EASS\)](#).

Contacting us by phone or visiting us in person

Technical information about this website's accessibility Llanfair D C

Community Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018. This website is partially compliant with the requirements of the WCAG 2.1 AA standard www.w3.org/TR/WCAG21/. The non-accessible sections are listed below.

Some images do not have a text alternative, so people using a screen reader cannot access the information. This fails WCAG 2.1 success criterion 1.1.1 (non-text content).

We plan to add text alternatives for all images by September 2021. When we publish new content we'll make sure our use of images meets accessibility standards.

Disproportionate burden

Navigation and accessing information

There is no way to skip the repeated content in the page header (for example, a 'skip to main content' option). This fails WCAG 2.1 success criterion 2.4.1 (bypass blocks).

It is not always possible to change the device orientation from horizontal to vertical without making it more difficult to view the content. This fails WCAG 2.1 success criterion 1.3.4 (orientation).

It is not possible for users to change text size without some of the content overlapping. This fails WCAG 2.1 success criterion 1.4.4 (resize text).

Interactive tools and transactions

Some of our interactive forms are difficult to navigate using a keyboard. For example, because some form controls are missing a 'label' tag.

Our forms are built and hosted through third party software and 'skinned' to look like our website. This fails WCAG 2.1 success criterion 1.3.1 (information and relationships).

We have assessed the cost of fixing the issues with navigation and accessing information, and with interactive tools and transactions. We believe that doing so now would be a [disproportionate burden](#) within the meaning of the accessibility regulations.

Content that is not within the scope of the accessibility regulations PDFs and other documents

Many of our older PDFs and Word documents do not meet accessibility standards - for example, they may not be structured so they are accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2 (name, role value).

Some of our PDFs and Word documents are essential to providing our services. For example, we have PDFs with information on how users can access our services, and forms published as Word documents. By September 2021, we plan to either fix these or replace them with accessible HTML pages.

The accessibility regulations [do not require us to fix PDFs or other documents published before 23 September 2018](#) if they're not essential to providing our services.

Any new PDFs or Word documents we publish will meet accessibility standards where possible.

Live video

Live video streams do not have captions. This fails WCAG 2.1 success criterion 1.2.4 (captions - live).

We do not plan to add captions to live video streams because live video is [exempt from meeting the accessibility regulations](#).

How we tested this website

This website was last tested in July 2020. The test was carried out by Doodle IT. This statement was prepared in July 2020.
